

Agency Status Declaration Form

As an agency owner/manager, we give you the choice of how the Fun for Life program will be accruing "Fun-Jets" and then administered within your agency. The vast majority of owners/managers (over 95%) elect to have individual agents earn and redeem "Fun-Jets" on their own. Some owners/managers instead choose to pool all of the "Fun-Jets" earned by their agents and in this case, only they can redeem the "Fun-Jets" that have been earned. ("agency control")

Either way, we know you and your agents will enjoy the wide array of benefits from our new Fun for Life business relationship program. At Funjet Vacations we are committed to making sure that, "The Fun Starts Here!" So enjoy and remember, "Sell Today...Fun for Life!"

Please fill out form below and fax back to 414-351-5256.

- I am declaring that my agents will be allowed to accrue and redeem "Fun-Jets" individually.
- I am declaring that only the agency owner/manager will redeem all "Fun-Jets" for the entire agency.
If selecting "agency control", please make sure to attach a list of all agents within office
- This is a change in status from the original declaration that was sent.

Completion of this form, including a signature, is required to activate your agent/agency redemption capability.
